Otras funciones	BrowZine permite crear una biblioteca personal de revistas favoritas de acuerdo a la disciplina de interés. También se pueden recibir alertas o notificaciones al momento que se publique una nueva edición y guardar artículos para leerlos más adelante. Igualmente, se pueden descargar documentos directamente en Mendeley y otros gestores similares, lo cual facilita el ordenamiento de fuentes y la elaboración de listas de referencias. Asimismo, la plataforma se integra con nuestro buscador Ultra, lo que facilita la recuperación del texto completo.	
Cobertura	La cobertura de las revistas es variada.
